Erin Bird  
Director  
Fair Trade Calgary

Dear Erin,

**Subject: Support for Calgary to become a Fair Trade Town**

Muktobihongo is thrilled to announce support towards Fair Trade Calgary and the campaign to have Calgary be recognized as a Fair Trade Town.

Muktobihongo is a not for profit Bengali Theatre group in Calgary. From our annual shows, Muktobihongo donates all proceeds to a street children's foundation in Bangladesh.

As actors with Bengali heritage, we wholeheartedly support what the global fair trade movement is accomplishing, especially in countries that represent our heritage, like Bangladesh and India. As artists, we recognize and celebrate the artistry behind producers, whether they grow food, weave textiles, or create cosmetics. Ethical commerce empowers producers and contributes to a more equitable, fair, and better world.

We look forward to Calgary achieving this grand designation in the near future. Please accept our best wishes.

Regards,  
Zhaheed Hoque  
Founder, Muktobihongo.
