Erin Bird
Fair Trade Calgary

Dear Ms. Bird,

Ploughshares Calgary Society supports the campaign to have Calgary recognized as a Fair Trade Town and supports raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

Ploughshares Calgary Society seeks to educate and encourage research to create mutual respect and understanding so as to contribute to human security and the peaceful resolution of conflicts. By holding educational events, engaging in advocacy and publishing a regular newsletter, we seek to build sustainable peace, encourage practical steps towards nuclear disarmament and minimize recourse to military force.

Additionally, Ploughshares Calgary organizes the Peace Fair annually, supporting social justice, peace and the environment. The Peace Fair showcases the important work being done by local organizations, non-profit organizations and charities.

Working together, we are committed to building a secure world without war, a just world at peace.

Sincerely,
