Dear Ms. Bird,

As Grade 7 students from the Calgary French & International School (CFIS), we are writing to give our support to the campaign to have Calgary recognized as a *Fair Trade Town* and to raise awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

As a UNESCO school, CFIS has a global focus. Alongside opportunities to lead at every age, we value cultural diversity and international perspectives as well as ethical and responsible citizenship. Thus, as Grade 7 students, we feel compelled to take action and speak up about our firm belief that Calgary should become a Fair Trade Town.

Our support for the Fair Trade Town designation is demonstrated through this letter as well as our interest in putting on a fair trade fair at our school in the upcoming year.

Sincerely,

The Grade 7 students at Calgary French & International School
