Erin Bird
Fair Trade Calgary

Dear Ms. Bird

Casa Corazon supports the campaign to have Calgary recognized as a Fair Trade Town and supports raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

Casa Corazon is a sole proprietor business that was founded in 2004 with the mission to build trusting, ongoing relationships with the artisans that supply our high quality products. All goods are personally chosen from small enterprises and cooperatives that we visit annually in Guatemala. We consider it our responsibility to provide a sustainable, long term market for the mostly, indigenous, artisans' work. Our motto is: Promoting Social Justice One Purchase at a Time.

We have encouraged and supported Fair Trade Calgary's efforts to raise awareness of fair trade in this city as our values are very much in line.

Sincerely
