Dear Ms. Bird,

Re: Fair Trade Calgary – Letter of Support

DIALOG is pleased to provide our support for the campaign to have Calgary recognized as a Fair Trade Town. We believe Fair Trade Calgary's ongoing initiative to raise awareness about the benefits and opportunities fair trade presents, both locally and globally, is important in helping to improve the wellbeing of both the people and environment in each and every community.

At DIALOG we are passionate designers who believe in the power of built form to meaningfully improve the wellbeing of our communities and the environment we all share. We believe the concept of fair trade aligns with this vision, in providing a fair living wage which helps to promote the wellbeing of the producer and environmentally sustainable production practices.

Yours truly,

DIALOG® Alberta Architecture Engineering Interior Design Planning Inc.
