

Fair Trade Calgary: Water Movement Support Letter  
May 25, 2020

To: Erin Bird, Fair Trade Calgary

Dear Ms. Bird,

Water Movement supports the campaign to have Calgary recognized as a Fair Trade Town and supports raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

We fully support Fair Trade and the campaign to have Calgary recognized as a Fairtrade town. We appreciate and support the missions and values of Fair Trade Calgary. Ms. Bird has had an outstanding impact and we are excited to see this initiative take off.

Sincerely,

Bitia Malekian  
Water Movement Chairperson
