

EARTH GUARDIANS YYC

January 23, 2022

Erin Bird
Fair Trade Calgary

Dear Ms. Bird,

Earth Guardians YYC supports Fair Trade Calgary's campaign to have Calgary recognized as a Fair Trade City, and we support raising awareness about the benefits and opportunities of fair trade for our community and for producers around the world.

Earth Guardians YYC is a branch of a global nonprofit organization, Earth Guardians. We engage and inspire youth to have a voice in their community and future through local grassroots projects that focus on social justice and the environment.

We firmly believe in creating a better world through the means of ethical consumption and production, and that Calgary should follow suit by becoming a Fair Trade City.

Sincerely,

Priya Migneault
