To the Attention of:
Erin Bird
Fair Trade Calgary

Dear Ms. Bird,

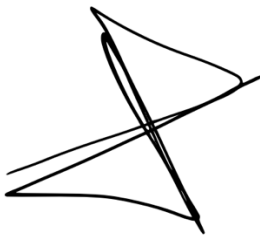

CW4WAfghan is pleased to offer support to the fair trade movement and support making Calgary a Fair Trade Town.

CW4WAfghan is a Calgary-based non-profit organization that aims to provide effective long-term sustainable education programs for Afghan women and their families and to engage Canadians as global citizens. Through our Advocacy and Public Engagement programs, we engage Calgarians to address injustices in Afghanistan in particular, supporting women's access to education as a basic human right.

We are excited to support this campaign and the work of Fair Trade Calgary as it brings Calgarians together and uniting them to make positive changes in our community.

Please feel free to contact me if you require additional information or have any questions about our support for Fair Trade Calgary. I can be reached via below email address.

Sincerely,

Dr. Lauryn Oates
